

Løfteåg - BigBag B10

B10 løfteåget har ét fast ophængspunkt, centreret over fire faste nedhængspunkter med mulighed for direkte anghugning i bigbags. Dette løfteåg levers malet og er produceret på vores egen fabrik i Danmark.

Lifting yoke - BigBag B10

The B10 lifting yoke has one fixed suspension point, centered above four liftingpoints with direct attachments for BigBags. The lifting yoke is delivered painted and produce at our own factory in Denmark.
